AMENDMENT AND RESPONSE TO OFFICE COMMUNICATION

Sir:

This Amendment is filed in response to a Communication mailed September 8, 2005, stating that the application fails to comply with the requirements of 37 C.F.R. §§ 1.821-1.825 because the response filed March 26, 2005 did not direct entry of the paper copy of the sequence listing into the specification. The Communication provides one month, until October 11, 2005 (October 8, 2005 being a Saturday and October 20 being a holiday), to comply with the sequence rules. Accordingly, this response is being timely filed.

Amendments to the Specification are reflected on page 2 of this paper.

Remarks/Arguments begin on page 3 of this paper.
